

## **NEW HAMPSHIRE HIGH SCHOOL MOCK TRIAL PROCEDURAL RULES**

The New Hampshire High School Mock Trial Championship is governed by the Rules of the Competition and the New Hampshire High School Mock Trial Rules of Evidence. Any clarification of rules or case materials will be issued in writing to all participating teams in a timely manner and no less than two weeks prior to the tournament. The state coordinator will distribute to each team any such clarification.

All teams are responsible for the conduct of persons associated with their teams throughout the mock trial event.

### **I. RULES OF THE COMPETITION**

#### **ADMINISTRATION**

##### **Rule 1.1. Rules**

All trials will be governed by the Rules of the New Hampshire High School Mock Trial Championship and the New Hampshire High School Mock Trial Championship Rules of Evidence.

Questions or interpretations of these rules are within the discretion of the State Coordinator, whose decision is final.

##### **Rule 1.2. Code of Conduct**

The Rules of Competition, as well as proper rules of courthouse and courtroom decorum and security, must be followed. The State Coordinator possesses discretion to impose sanctions, including but not limited to disqualification, immediate eviction from the Championship, and forfeiture of all fees and awards (if applicable) for any misconduct occurring while a team is present for any officially sanctioned tournament, for flagrant rule violations, and for breaches of decorum which affect the conduct of a trial or which impugn the reputation or integrity of any team, school, participant, court officer, judge, or the mock trial program.

##### **Rule 1.3. Emergencies**

During a trial, the presiding judge shall have discretion to declare an emergency and adjourn the trial for a short period of time to address the emergency.

In the event of an emergency that would cause a team to be unable to continue a trial or to participate with less than six members, the team must notify the State Coordinator as soon as is reasonably practical. If the State Coordinator, or its designee(s), in its sole discretion, agrees that an emergency exists, the State Coordinator, or its designee(s), shall declare an emergency and will decide whether the team will forfeit or may direct that the team take appropriate measures to continue any trial round with less than six members. A penalty may be assessed.

A forfeiting team will receive a loss and points totaling the average number of the ballots and points received by the losing teams in that round. The non-forfeiting team will receive a win and an average number of ballots and points received by the winning teams in that round.

Final determination of emergency, forfeiture, reduction of points, or advancement, will be made by the State Coordinator.

##### **Rule 1.4 Student Timekeepers**

(a) Each team attending the NHHSMTTC is responsible for providing one student as an official timekeeper equipped with two stopwatches. The official timekeeper may be a student who is not one of the official team members. In trial, each team is to use a set of "Time Remaining" cards with the following designations to signal

time: 20:00, 15:00, 10:00, 5:00, 4:00, 3:00, 2:00, 1:00, 0:40, 0:20, and "STOP". Modification of intervals is not permitted.

## **THE PROBLEM**

### **Rule 2.1. The Problem**

The problem will be an original fact pattern which may contain any or all of the following: statement of facts, indictment, stipulations, witness statements/affidavits, jury charges, and exhibits. Stipulations may not be disputed at trial. Witness statements may not be altered.

The problem shall consist of three witnesses per side, all of whom shall have names and characteristics that would allow them to be played by either males or females. All three of the witnesses must be called.

### **Rule 2.2. Witnesses Bound by Statements**

Each witness is bound by the facts contained in his/her own witness statement, the Statement of Facts, if present, and/or any necessary documentation relevant to his/her testimony. Fair extrapolations may be allowed, provided reasonable inference may be made from the witness' statement. If, in direct examination, an attorney asks a question which calls for extrapolated information pivotal to the facts at issue, the information is subject to objection under Rule 2.3, "unfair extrapolation."

A witness is not bound by facts contained in other witness statements.

### **Rule 2.3. Unfair Extrapolation**

A fair extrapolation is one that is neutral. Unfair extrapolations are best attacked through impeachment and closing arguments and are to be dealt with in the course of the trial.

If a witness is asked information not contained in the witness' statement, the answer must be consistent with the statement and may not materially affect the witness' testimony or any substantive issue of the case.

Attorneys for the opposing team may refer to Rule 2.3 in a special objection, such as "unfair extrapolation," or "This information is beyond the scope of the statement of facts."

Possible rulings by a judge include:

- a) No extrapolation has occurred;
- b) An unfair extrapolation has occurred;
- c) The extrapolation was fair; or,
- d) Ruling is taken under advisement.

The decision of the presiding judge regarding extrapolations or evidentiary matters is final.

When an attorney objects to an extrapolation, the judge will rule in open court to clarify the course of further proceedings.

Please note that impeachment is preferred to use of the special unfair extrapolation rule in almost all circumstances.

### **Rule 2.4. Gender of Witnesses**

All witnesses are gender neutral. Personal pronoun changes in witness statements indicating gender of the characters may be made. Any student may portray the role of any witness of either gender.

### **Rule 2.5. Voir Dire**

Voir dire examination of a witness is not permitted and may not be requested by any attorney, but may be allowed at the judge's discretion.

## **TEAMS**

### **Rule 3.1 Middle School and High School Brackets, Eligibility for the National Championship**

(a) Teams must identify themselves as being High School or Middle School teams upon registration. Only middle schools are eligible for the Middle School National Championship, and only high school teams are eligible for the National High School Mock Trial Championship. Whenever at least two middle school teams register for the state championship, they will compete against one another in a bracket that does not include any high school teams. Middle school students may compete on high school teams, but high school students may not compete on middle school teams. In the event that a high school team including middle school students wins the State Championship, the team must reconfigure to include only high school students before competing at the national level.

(b) The team that wins the state championship at either the high school or middle school level is expected to represent New Hampshire at the national level of the competition. If a championship team cannot compete, the runner up will be given the opportunity to represent the state.

### **Rule 3.2. Team Composition**

Teams consist of seven to fourteen official members assigned to attorney and witness roles representing the prosecution/plaintiff and defense/defendant sides. Only **seven** official members will participate in any given round as timekeeper, attorneys, and witnesses. (See Rule 3.3 for further explanation referring to team participation.) At no time may any team for any reason substitute other persons for official team members. The Team Roster will become official at the time of on site registration.

### **Rule 3.3. Team Presentation**

Teams must present both the Prosecution/Plaintiff and Defense/Defendant sides of the case, using six team members in each trial round. For each trial round, teams shall use three students as attorneys and three students as witnesses.

### **Rule 3.4. Team Duties**

Team members are to evenly divide their duties. Each of the three attorneys will conduct one direct examination and one cross-examination; in addition, one will present the opening statement and another will present the closing arguments. In other words, the eight attorney duties for each team will be divided as follows:

Attorney A: Deliver opening statement, perform one direct examination and one cross examination

Attorney B: Perform one direct examination and one cross examination

Attorney C: Perform one direct examination and one cross examination, deliver closing argument.

Opening Statements must be given by both sides at the beginning of the trial.

The attorney who examines a particular witness on direct examination is the only person who may make the objections to the opposing attorney's questions of that witness' cross-examination, and the attorney who cross-examines a witness will be the only one permitted to make objections during the direct examination of that witness.

Each team must call all three of its assigned witnesses. Witnesses must be called only by their own team during their case-in-chief and examined by both sides. Witnesses may not be recalled by either side.

### **Rule 3.5. Team Roster Form**

Copies of the Team Roster Form must be completed and duplicated by each team prior to arrival at the

courtroom for each round of competition. Teams must be identified by the code assigned at registration. No information identifying team origin should appear on the form.

Before beginning a trial, the teams must exchange copies of the Team Roster Form. The Form should identify the gender of each witness so that references to such parties will be made in the proper gender. Copies of the Team Roster Form should also be made available to the judging panel and presiding judge before each round (each team should have at least three copies of their roster available in each round). Teams shall not knowingly disclose their place of origin to any member of the judging panel or to the presiding judge.

## **THE TRIAL**

### **Rule 4.1. Courtroom Setting**

The Prosecution/Plaintiff team shall be seated closest to the jury box. No team shall rearrange the courtroom without prior permission of the judge.

### **Rule 4.2. Stipulations**

Stipulations will be considered a part of the record and already admitted into evidence.

### **Rule 4.3. Reading Into The Record Not Permitted**

Stipulations, the indictment, or the Charge to the Jury will not be read into the record.

### **Rule 4.4. Swearing of Witnesses**

The following oath may be used before questioning begins:

“Do you promise that the testimony you are about to give will faithfully and truthfully conform to the facts and rules of the mock trial competition?”

The swearing of witnesses will occur in one of two ways. Either the presiding judge will indicate that all witnesses are assumed to be sworn, or the above oath will be conducted by (a) the presiding judge, (b) a bailiff; or (c) the examining attorney.

### **Rule 4.5. Trial Sequence and Time Limits**

The trial sequence and time limits are as follows:

1. Opening Statement (5 minutes per side)
2. Direct and Redirect (optional) Examination (25 minutes per side)
3. Cross and Re-cross (optional) Examination (20 minutes per side)
4. Closing Argument (5 minutes per side)

The Prosecution/Plaintiff gives the opening statement first. The Prosecution/Plaintiff gives the closing argument first; the Prosecution/Plaintiff may reserve a portion of its closing time for a rebuttal. The Prosecution/Plaintiff's rebuttal is limited to the scope of the Defendant's closing argument.

Attorneys are not required to use the entire time allotted to each part of the trial. Time remaining in one part of the trial may not be transferred to another part of the trial.

### **Rule 4.6. Timekeeping**

(a) Each team is required to provide one student who will serve as the official timekeeper for that team. This timekeeper must meet the requirements of Rule 1.4. Timekeepers are responsible for fairly and accurately

keeping and reporting the time during the trial presentation and during any disputes under Rule 6.2. During the rounds of the competition, timekeepers are to act as a neutral entity. Timekeepers are not to communicate with their respective teams during the course of the trial presentation, recesses, or during any dispute procedure, except to display the time remaining cards and indicate (as directed by the presiding judge) how much time is remaining during a particular part of the trial.

(b) Time limits are mandatory and will be enforced. Time runs from the beginning of the witness examination, opening statement, or closing argument until its conclusion. Introduction of counsel or witnesses prior to the opening statement shall not be included in the time allotted for opening statements. However, if counsel or witnesses are introduced once the opening statement has commenced, such time shall be included in the time allotted for the opening statement. Time stops only for objections, questioning from the judge, or administering the oath. Time does not stop for introduction of exhibits.

(c) Timekeepers should display the applicable "Time Remaining" cards simultaneously. At the end of each task during the trial presentation (i.e. at the end of each opening, at the end each witness examination, at the end of each cross examination and at the end of each closing argument) if there is more than a 15 second discrepancy between the teams' timekeepers, the timekeepers must notify the presiding judge of the discrepancy. The presiding judge will then rule on the discrepancy, the timekeepers will synchronize their stopwatches accordingly and the trial will continue. Any discrepancies between timekeepers less than 15 seconds will not be considered. No time disputes will be entertained after the trial concludes. The decisions of the presiding judge regarding the resolution of time disputes are final.

#### **Rule 4.7. Time Extensions and Scoring**

The presiding judge has sole discretion to grant time extensions. If time has expired and an attorney continues without permission from the Court, the scoring judges may determine individually whether or not to discount points in a category because of over-runs in time.

#### **Rule 4.8. Motions Prohibited**

The only motion permissible is one requesting the judge to strike testimony following a successful objection to its admission.

#### **Rule 4.9. Sequestration**

Teams may not invoke the rule of sequestration.

#### **Rule 4.10. Bench Conferences**

Bench conferences may be granted at the discretion of the presiding judge, but should be made from the counsel table in the educational interest of handling all matters in open court.

#### **Rule 4.11. Supplemental Material; Costuming**

Teams may refer only to materials included in the trial packet. No illustrative aids of any kind may be used, unless provided in the case packet. No enlargements of the case materials will be permitted. Absolutely no props or costumes are permitted unless authorized specifically in the case materials. Costuming is defined as hairstyles, clothing, accessories, and make-up which are case-specific.

The only documents which the teams may present to the presiding judge or scoring panel are the individual exhibits as they are introduced into evidence and the team roster forms. Exhibit notebooks are not to be provided to the presiding judge or scoring panel.

#### **Rule 4.12. Trial Communication**

Coaches, teachers, alternates, and observers shall not talk to, signal, communicate with, or coach their

teams during trial. This rule remains in force during any emergency recess, which may occur. Team members may, among themselves, communicate during the trial; however, no disruptive communication is allowed. Signaling of time by the teams' timekeepers shall not be considered a violation of this rule.

Coaches, teachers, alternates and observers must remain outside the bar in the spectator section of the courtroom. Only team members participating in this round may sit inside the bar and communicate with each other.

#### **Rule 4.13. Viewing a Trial**

Team members, alternates, attorney coaches, teacher sponsors, and any other persons directly associated with a mock trial team, except for those authorized by the State Coordinator, are not allowed to view other teams' performances in the competition, so long as their team remains in the competition. No person shall display anything that identifies their place of origin while in the courtroom.

#### **Rule 4.14. Videotaping/Photography**

Any team has the option to refuse participation in videotaping, tape recording, and still photography by opposing teams. Media coverage will be allowed. Media representatives authorized by the State Coordinator will wear identification badges.

#### **Rule 4.15. Jury Trial**

The case will be tried to a jury; arguments are to be made to judge and jury. Teams may address the scoring judges as the jury.

#### **Rule 4.16 Standing During Trial**

Unless excused by the judge, attorneys will stand while giving opening and closing statements, during direct and cross examinations, and for all objections.

#### **Rule 4.17. Objections During Opening Statement/Closing Statement**

No objections may be raised during opening statements or during closing arguments.

#### **Rule 4.18. Procedural Objections**

1. Argumentative Questions: An attorney shall not ask argumentative questions.
2. Lack of Proper Predicate/Foundation: Attorneys shall lay a proper foundation prior to moving the admission of evidence. After the exhibit has been offered into evidence, the exhibit may still be objected to on other grounds.
3. Assuming Facts Not in Evidence: Attorneys may not ask a question that assumes unproved facts. However, an expert witness may be asked a question based upon stated assumptions, the truth of which is reasonably supported by evidence (sometimes called a "hypothetical question").
4. Questions Calling for Narrative or General Answer: Questions must be stated so as to call for a specific answer. (Example of improper question: "Tell us what you know about this case.")
5. Non-Responsive Answer: A witness' answer is objectionable if it fails to respond to the question asked.
6. Repetition: Questions designed to elicit the same testimony or evidence previously presented in its entirety are improper if merely offered as a repetition of the same testimony or evidence from the same or similar source.

Teams are not precluded from raising additional objections that are available under the New Hampshire High School Mock Trial Rules of Evidence.

#### **Rule 4.19 Reserved**

#### **Rule 4.20. Procedure for Introduction of Exhibits**

As an example, the following steps effectively introduce evidence:

1. All evidence will be pre-marked as exhibits.
2. Ask for permission to approach the witness. "Your Honor, may I approach the witness with what has been marked for identification purposes as Exhibit No. \_\_\_?"
3. Show the exhibit to opposing counsel.
4. Ask the witness to identify the exhibit. "I now hand you what has been marked for identification as Exhibit No. \_\_\_\_\_. Would you identify it please?" Witness should answer to identify only.
5. Ask the witness a series of questions that are offered for proof of the admissibility of the exhibit. These questions lay the foundation or predicate for admissibility, including questions of the relevance and materiality of the exhibit.
6. Offer the exhibit into evidence. "Your Honor, we offer Exhibit No. \_\_\_ into evidence."
7. Court: "Is there an objection?" (If opposing counsel believes a proper foundation has not been laid, the attorney should be prepared to object at this time.)
8. Opposing Counsel: "No, Your Honor," OR "Yes, Your Honor." If the response is "yes", the objection will be stated for the record. Court: "Is there any response to the objection?"
9. Court: "Exhibit No. \_\_\_ (is/is not) admitted." If admitted, questions on content may be asked.

#### **Rule 4.21. Use of Notes**

Attorneys may use notes in presenting their cases, BUT ARE STRONGLY ADVISED NOT TO. Judges are instructed before the trial to score teams down that read from or rely on notes. Witnesses are not permitted to use notes while testifying during the trial. Attorneys may consult with each other at counsel table verbally or through the use of notes. The use of laptops or other electronic devices is prohibited.

#### **Rule 4.22. Redirect/Recross**

Redirect and Recross examinations are permitted, provided they conform to the restrictions in Rule 611(d) in the New Hampshire High School Mock Trial Rules of Evidence.

#### **Rule 4.23. Scope of Closing Arguments**

Closing Arguments must be based upon the actual evidence and testimony presented during the trial.

#### **Rule 4.24. The Critique**

The judging panel is allowed 10 minutes for debriefing. The timekeepers will monitor the critique following the trial. Presiding judges are to limit critique sessions to a combined total of ten (10) minutes. There is no critique in the fourth round.

Judges shall not make a ruling on the legal merits of the trial. Judges may not inform the students of score sheet results.

#### **Rule 4.25 Offers of Proof**

No offers of proof may be requested or tendered.

## **JUDGING AND TEAM ADVANCEMENT**

### **Rule 5.1. Finality of Decisions**

All decisions of the judging panel are **FINAL**.

### **Rule 5.2. Composition of Judging Panels**

Judging panels are composed of attorneys, veteran mock trial coaches, and other persons determined to be adequately familiar with the mock trial program to serve as judges. Except in extraordinary circumstances, judges will never evaluate teams they have any affiliation with.

### **Rule 5.3. Score Sheets/Ballots**

The term “ballot” will refer to the decision made by a scoring judge as to which team made the best presentation in the round. The term “score sheet” is used in reference to the form on which points are recorded. Score sheets are to be completed individually by the scoring judges. Scoring judges are not bound by the rulings of the presiding judge. The team that earns the highest points on an individual judge’s score sheet is the winner of that ballot. The team that receives the majority of the ballots wins the round. The ballot votes determine the win/loss record of the team for power-matching and ranking purposes.

### **Rule 5.4. Completion of Score Sheets**

There shall be no tied ballots. In the event that a judge gives equal scores to two teams in a round, they will be asked to assign a tie-breaker point.

### **Rule 5.5. Team Advancement**

Teams will be ranked based on the following criteria in the order listed:

1. Win/Loss Record – equals the number of rounds won or lost by a team;
2. Total Number of Ballots – equals the number of scoring judges’ votes a team earned in preceding rounds;
3. Point Spread against Opponents – the point spread is the difference between the total points earned by the team whose tie is being broken less the total points of that team’s opponent in each previous round. The greatest sum of these point spreads will break the tie in favor of the team with the largest cumulative point spread.

### **Rule 5.6. Power Matching/Seeding**

A random method of selection will determine opponents in the first round. A power-match system will determine opponents for all other rounds. The two teams emerging with the strongest record from the four rounds will advance to the final round. The first-place team will be determined by ballots from the championship round only.

Power matching will provide that:

1. Pairings for the first round will be at random;
2. All teams are guaranteed to present each side of the case at least once;
3. Brackets will be determined by win/loss record. If the number of teams in a win/loss bracket is equal to or greater than twelve (12), the bracket will be split in half to create two (2) sub-brackets for power-matching purposes only. Sorting within brackets will be determined in the following order: (1) win/loss record; (2) ballots; (3) total points; then (4) point spread. The team with the highest number

of ballots in the bracket will be matched with the team with the lowest number of ballots in the bracket; the next highest with the next lowest, and so on until all teams are paired;

4. If there is an odd number of teams in a bracket, the team at the bottom of that bracket will be matched with the top team from the next lower bracket;
5. Teams will not meet the same opponent twice on the same side of the case;
6. To the greatest extent possible, teams will alternate side presentation in subsequent rounds. Bracket integrity in power matching will supersede alternate side presentation

#### **Rule 5.7. Selection of Sides for Championship Round**

A coin flip shall be used to determine the sides each team goes on. In the that the two teams have already competed against one another, they will alternate sides.

#### **Rule 5.8. Odd Number of Teams Participating in Championship**

A “bye” becomes necessary when an odd number of teams are present for any given round of the tournament. It is the intent of the New Hampshire High School Mock Trial Championship to avoid byes where possible.

In the event of a circumstance resulting in an odd number of competing teams, the following procedure will apply:

1. The team drawing the “bye” (no opponent for a single trial round) in rounds two through four will, by default, receive a win for that round. For the purpose of power-matching, the team will temporarily be given points equal to the average of its own points earned in its preceding trials. At the end of the fourth round, the average from all three actual trial rounds participated in by the team will be used for the final points given for that team’s bye round.

For example, a team receiving a bye in round three would receive three ballots and an average of its points earned in rounds one and two. At the end of the fourth round, however, the points actually awarded to the team for the bye round will be adjusted to take into consideration the fourth round performance of the team.

2. A team receiving a bye in round one will be awarded a win and the average number of points for all round one winners, which total will be adjusted at the end of each round to reflect the actual average earned by that team.

## **DISPUTE RESOLUTION**

### **Rule 6.1. Reporting a Rules Violation/Inside the Bar**

Disputes which occur within the bar must be filed immediately following the conclusion of that trial round. Disputes must be brought to the attention of the presiding judge at the conclusion of the trial. If any team believes that a substantial rules violation has occurred, one of its student attorneys must indicate that the team intends to file a dispute. The scoring panel will be excused from the courtroom, and the presiding judge will provide the student attorney with a dispute form, on which the student will record in writing the nature of the dispute. The student may communicate with counsel and/or student witnesses before lodging the notice of dispute or in preparing the form. At no time in this process may team sponsors or coaches communicate or consult with the student attorneys. Only student attorneys may invoke the dispute procedure.

## **Rule 6.2. Dispute Resolution Procedure**

The presiding judge will review the written dispute and determine whether the dispute should be heard or denied. If the dispute is denied, the judge will record the reasons for this, announce her/his decision to the Court, retire to complete his/her score sheet (if applicable), and turn the dispute form in with the score sheets. If the judge feels the grounds for the dispute merit a hearing, the form will be shown to opposing counsel for their written response. After the team has recorded its response and transmitted it to the judge, the judge will ask each team to designate a spokesperson. After the spokespersons have had time (not to exceed three minutes) to prepare their arguments, the judge will conduct a hearing on the dispute, providing each team's spokesperson three minutes for a presentation. The spokespersons may be questioned by the judge. At no time in this process may team sponsors or coaches communicate or consult with the student attorneys. After the hearing, the presiding judge will adjourn the court and retire to consider her/his ruling on the dispute. That decision will be recorded in writing on the dispute form, with no further announcement.

## **Rule 6.3. Effect of Violation on Score**

If the presiding judge determines that a substantial rules violation has occurred, the judge will inform the scoring judges of the dispute and provide a summary of each team's argument. The scoring judges will consider the dispute before reaching their final decisions. The dispute may or may not affect the final decision, but the matter will be left to the discretion of the scoring judges.

## **Rule 6.4. Reporting of Rules Violation/Outside the Bar**

Disputes which occur outside the bar only during a trial round may be brought by teacher or attorney-coaches exclusively. Such disputes must be made promptly to the state coordinator, who will ask the complaining party to complete a dispute form. The form will be taken to the tournament's communications center, whereupon a dispute resolution panel will (a) notify all pertinent parties; (b) allow time for a response, if appropriate; (c) conduct a hearing; and (d) rule on the charge. The dispute resolution panel may notify the judging panel of the affected courtroom of the ruling on the charge or may assess an appropriate penalty.

The dispute resolution panel will be designated by the State Coordinator.
