

# LEADERS OF TOMORROW LEARN FROM THE LEADERS OF TODAY

The NH Bar Association's Leadership Academy has graduated five classes of Merging leaders from the legal community. The next Leadership Academy year will kick off in the fall of 2018.

An impressive list of governors, judges, legislators, regulators, CEOs, authors, educators, and other leaders from throughout New Hampshire have spent time conversing with the last four classes of the NH Bar Association Leadership Academy.

The NHBA Leadership Academy Steering Committee extends its heartfelt gratitude to the presenters listed below.
