

MIDYEAR MEETING “IN MEMORIAM” VIDEO

For a second year, NHBA made good use of our online events platform to upgrade the “Necrology” section of the meeting (formerly a monotone reading of names by a Bar official) into a tasteful video that better serves as a tribute to our recently deceased Bar members.

Instrumental to the success of the video was the timing of the slide transitions and the selection of appropriate, sensitive music.

The resultant video can be viewed at <https://vimeo.com/678845195>
