

Hi, this is _____ from the NH Bar Association.

I'm calling to let you know about our upcoming Virtual Midyear Meeting on Friday, February 18. Its theme is "Shaping the Future of Law and Society".

Whether you need to meet CLE requirements for New Hampshire or other states, you'll have the opportunity to learn from four acclaimed speakers discussing topics of national interest, including diversity and inclusion, cryptocurrency, and qualified immunity. Presenters include Kenneth Feinberg, who was the subject of the recent Netflix movie *Worth*. Attend all four CLEs virtually to earn 255 CLE minutes -- including 75 ethics and professionalism minutes and subject to approval by your state's CLE governing body -- for a low registration rate of \$95.

You can learn more about the Midyear Meeting and sign up online at nhbar.org: just click on the large banner on the home page to get started.

We hope you'll be able to join us online on February 18 and, from all of us at the NH Bar Association, have a great day.

ONLY If people say that have a scheduling conflict on Feb 18 should the “on demand” option be mentioned.
