

Communications Manager – Campaign for Legal Services

603 Legal Aid (603LA) and New Hampshire Legal Assistance (NHLA) seek a Communications Manager for the NH Campaign for Legal Services. 603LA and NHLA fundraise together through the Campaign. The Communications Manager will help raise both money and awareness by supporting communications that engage donors, educate the public, and expand the Campaign's reach. This role focuses on marketing, fundraising products and engagement opportunities, growing audiences across digital channels, and telling clear, compelling stories about the impact of civil legal aid in New Hampshire. Your work ensures that 603LA and NHLA can reach our client communities, our donors, and the public through traditional and new media.
