Robert R. Lucic is a shareholder at Sheehan Phinney and has over 35 years of extensive complex commercial litigation experience throughout the United States, including administrative agency proceedings, arbitrations, jury trials, and appellate practice involving both multi-national corporations and small businesses. He serves a wide range of manufacturing clients, including robotics aerospace, defense, and high-tech companies, as well as national, state, and municipal governments. He regularly counsels clients on intellectual property and antitrust compliance issues. LucicBob's practice focus includes patent and trade secret litigation; environmental litigation; stockholder and partnership disputes; and investor disputes. He also provides strategic counseling to industrial clients and small businesses. He chaired the Firm's Litigation Department for six years.

Lucic currently serves as President of the New Hampshire Bar Association's Board of Governors and is a member of the of the NHBA's Special Committee on Artificial Intelligence (AI). He is also active in the Massachusetts Federal Bar Association. He is an Ambassador for the Auschwitz Institute for the Prevention of Genocide and is the former President of the Squam Lakes Association.

Lucic is Sheehan Phinney's liaison with Lex Mundi, the world's leading association of independent law firms, and is the former Chair of the Environmental Practice Group. He served as worldwide chair from 2017-2019. He assisted in organizing conferences on climate change in New York (2017) and Paris (2019). He joined the firm in 1991 after practicing at White & Case in New York City. He also speaks German and French.
