Associate Attorney - Dover, NH

Be a great lawyer.
Not a great timekeeper.

Our growing Seacoast trusts & estates boutique is hiring an Associate Attorney (1–2+ years estate planning, probate). You'll lead client consultations, design trust- and will-based estate plans, guide signings, and handle probate administration matters — with paralegal support and direct mentorship from the owner. We're a flat-fee, systems-driven firm that embraces technology to sharpen attorney efficiency and improve the client experience. Most firms aren't ready for what's coming. We built for it. **Come do your best legal work here.**
