Department of Education

The NH Department of Education is seeking to hire two attorneys.

Special Education Attorney

Acts as legal counsel to the New Hampshire Department of Education regarding all special education-related topics, including oversight of special education. Visit **education.nh.gov/careers**.

Misconduct Attorney

To administer and oversee all legal and operational activities, including compliance with applicable statutes and administrative rules related to educator misconduct and student safety, which includes restraint and seclusion, higher education, and other matters. Visit **education.nh.gov/careers**.
